Subject: Amoco RBU / CID #0003-00-00

ROU Promotion Coordinators:

Supplier information has been completed on all Amoco RBU locations in order for them to participate in the RJR Value Added Program for 1998. One SKU, per store, of the Winston and Doral Value Added Promotions should be set aside for January.

Please disregard the PM Exclusive and RJR Lockout designations on SIS, as these will be removed when the contracts are added, prior to 1998.

Thank you for your assistance.
